

UNIVERSITY OF OREGON

Center for Advanced Materials Characterization in Oregon

Presents

Advanced Techniques in EPMA, August 7<sup>th</sup>, 2010

With

Paul Carpenter (Washington University)

John Fournelle (University of Wisconsin)

Michael Jercinovic and Julien Allaz (University of Massachusetts)

Dale Newbury and Nicholas Ritchie (NIST)

A one day hands on workshop exploring problems and solutions for difficult and/or complex analytical situations using the latest analytical methods, instrumental techniques and software algorithms. Workshop will be held in the new Integrated Science Complex, Lorry I. Lokey Laboratory, MicroAnalytical Facility.
